## **MFCN secures venue for the 2023 Coaches Clinic**

We have contracted again with the Sheraton Hotel and Conference Center in Mesa to conduct our annual clinic. Coaches really liked the Sheraton venue this spring, so we have secured the same venue once again. The Coaches Clinic, the fifth conducted by MFCN, will be held the third weekend in April of 2023.

Follow us on twitter and our website to receive more details as they become clear.

*“Just like the clinic held in the Spring of 2021, the Coaches Clinic we held this Spring was the largest Coaches Clinic conducted in Arizona in 2022. Come out and support the AZFCA. Plan to attend and or participate in our future events, your support helps all of us in some way.”*

- AZFCA President Jason Jewell.

The series of discussions will start this Winter and continue periodically from there. The Collaborative will offer personal and professional development, through sharing of information and experiences. A few of the topics to be discussed with our Guest Speakers will include topics such as, how to become a Coordinator, a path to becoming a Head Coach, how to bring value to your program, how to interview for your next job and several other topics aimed at providing ALL COACHES with an opportunity for Growth. The Collaborative will be offered at No charge to all coaches, no strings attached. ## **Good Luck this off season**

We hope you had a GREAT Fall season. The State of Arizona continues to produce football players that rival other states with much larger populations. This is a testament to the growth of the many talented coaches in Arizona that are producing college ready student-athletes each year.

Take the time to enjoy the Holiday season and best of luck starting a New Year in 2023.

## **MFCN Coaches Clinic recordings available**

Many coaches who have attended our LIVE clinics in the past have suggested we record the sessions and make the clinic sessions available after the clinic is over; so, this year we recorded each session LIVE. MFCN hired a professional film crew to film and edit each of the LIVE sessions. Each of the LIVE clinic session recordings are available to you, just visit [www.mfcnnetwork.org](http://www.mfcnnetwork.org) or visit [coachtube.com](http://coachtube.com) to choose from a variety of sessions and topics.

MFCN has also conducted 60 Virtual Coaches Clinics via Zoom. You can see and hear some of the top HS and College coaches from around the Country. The Clinic sessions have been edited and placed into 3 or 4 clinic sessions per bundle. Each bundle provides about 3 hours of Talkin Ball. Check out the impressive list of coaches that appeared as speakers.

Go to [www.mfcnnetwork.org](http://www.mfcnnetwork.org) or [coachtube.com](http://coachtube.com) to see the list of clinic sessions and bundles now available.
